TESTIMONIALS FROM PREVIOUS CONFERENCES

This conference was jam-packed with helpful historical information and the leaders were very knowledgeable and helpful.

Dolores Osborne – California, USA

Summer school was excellent. Very well organized. Staff were very friendly, accommodating – went out of their way to ensure we all had a memorable trip and were able to meet some of our research needs. They didn't want us coming home empty handed!

Caren Baroudy – Alberta, Canada

An absolutely wonderful experience! The warm and friendly staff helped demystify the process of searching Irish records and gave me the tools to continue my search on-line. In addition, the lectures and tours painted a vivid picture of the conditions

in which my ancestors lived and the issues which prompted them to migrate. I hope to return soon.

Grayson Parks – Florida, USA

It was evident a tremendous effort went into arranging this conference, by all involved, and it showed in the wonderful opportunities we had to tour Ulster, hear interesting speakers at all the venues, do personal research and enjoy the comfort of a great tour bus as well as good hotel accommodations. Nothing was left undone to ensure every participant got what they came for and more. I've attended a great many conferences in the course of my work, but I don't think I've ever attended a better one.

Doris Bryant – California, USA

ERECTED
TO
THE MEMORY OF
MADGE O'BYRNE
LATE OF INDIANAPOLIS, IND., USA
BORN AT MALINBEG OCTR. 4 1853
DIED OCTR. 25 1886
MAY HER SOUL REST IN PEACE AMEN
She wished not death in stranger lands
Nor grave neath foreign skies
But home she came that kindred hands
Might place her where she lies
She loved the land that gave her birth
As but the pure can love
Her prayer: a grave in Irish earth
My soul to God above
